

## TASI Test & Inspection Announces Another Successful Trip to Pack Expo

Chicago, IL November 2014

TASI Test & Inspection is pleased to announce another successful trip to Pack Expo. This year, ALPS (Air Logic Power Systems, LLC) of Wisconsin, USA, Bonfiglioli Engineering of Italy, and Sepha of Northern Ireland were all represented in the booth with equipment and sales staff.

The group had over 300 visitors in the booth over the course of four days. There were 6 machines featured at the show, including the new Speed-Glider 6.3 from ALPS, the LF-S from Bonfiglioli Engineering, and the VisionScan from Sepha.

ALPS and Bonfiglioli Engineering also had a dual celebration to commemorate 40 years in business. Both companies have successfully serviced the packaging inspection market since their inception in 1974.
